This month's bygone is a bit different (as well as a bit late due to pressure of work) as, instead of looking at George happenings in past Marchs, we are looking at the previous landlords, landladies and owners. We would love to know if you think you, or your friends or relations, might be related to them and, if so, may not only be a Friend of The George (if you are not, why not sign up at but, in fact also a part of the 'Family'. To check this out look at the list towards the bottom of our History Page. If you, or one of your ancestors, share a surname get in touch. We can, using genealogical websites and a few details from you, try to find out if we have a very special 'Family of The George' as well as so many Friends.

If you have any historical facts, memories, photographs of The George, or characters associated with the pub or groups that used it you wish to share, contact us by e-mail at heritage.wmgeorge@btconnect.com.
